

LTBB Housing Commission  
Third and Fourth Quarters Report  
July 2017 - December 2017

The LTBB Housing Commission consists of Chairperson Patrick Wemigwase, Secretary Annette VanDeCar and Commissioners Larry Stead and Judith Pierzynowski.

The Housing Commission held official meetings in August, September, October and November. An informal meeting was held in December due to a lack of quorum to hold an official meeting.

During that time, the Housing Department and Housing Commission Statute passed by Tribal Council, however, an Executive veto stopped it from becoming law. Tribal Council chose not to try to override the Executive veto. A Housing Commission Statute exists, but a Housing Department Statute does not exist.

The Housing Commission was happy to have Tribal Councilor Frank Bernard attend its August meeting and share information with the commission.

The LTBB Housing Department now serves any member of a federally recognized tribe, who lives within the LTBB 27-county service area, through IHS's Well and Septic Program. Due to the expansion, LTBB is receiving additional funding from IHS.

The Victories Square development will include apartments. More information to follow as Victories Square is to be completed in 3 phases.

The open dump at Murray Road housing was cleaned up through a Sanitation Grant from the Indian Health Services.

The Executive plans on scheduling a meeting with the Planning Department, the Housing Department and the Housing Commission to discuss developing the Second Street property in Harbor Springs, MI, for housing.

Respectfully submitted by Annette VanDeCar, Secretary of the LTBB Housing Commission
